This change includes all material previously announced through PD 98039 and in JDs 98025 through 98027. Insert the attached pages and remove the corresponding pages. Remove pages U5E-11 and E-3 through E-7. This cover page replaces the Change 145 cover page.

# NOTE:

PER DIEM TABLES - The May 1, 1999 change will delete Appendices B and D. These two appendices contain the per diem rates for OCONUS and CONUS respectively. The rates, when published in the printed and electronic versions of the JFTR and JTR, are out of date by one to three months before they ever reach subscribers to the JFTR and JTR due to publishing delays. However, the rates as published on the PDTATAC website (www.dtic.mil/perdiem/) are maintained current and can be downloaded. To reduce publishing expenses and to ensure users know that the website per diem rates are the best and most current, after the April change, per diem rates published by PDTATAC will be available only on the PDTATAC website and not in the printed/electronic JFTR and JTR.

#### CHAPTER 1

# APPLICABILITY AND GENERAL INFORMATION

#### **U1000 AUTHORITY**

The regulations in this Volume pertain to travel and transportation. They're issued under the authority of 10 U.S.C. \$2631-2635 and Chapter 7, 37 U.S.C.

#### **U1005 APPLICATION**

This Volume contains basic statutory regulations concerning official travel and transportation of members of the Uniformed Services. There may be circumstances when travel and transportation entitlements are prohibited and are so stated. However, just because a prohibition isn't stated doesn't mean that an entitlement exists or can be authorized. All regular and reserve personnel, without regard to the Service to which they are assigned, are covered.

#### **U1006 COMPLEMENTARY REGULATIONS**

DIA prescribes regulations in DIA Manual (DIAM) 100-1, Volume 1, Part 4. These regulations provide special allowances for DoD members, who are U.S. nationals, assigned to or in designated training for assignment to a DAS or DIA liaison detachment station outside the United States. These regulations also affect their dependents. *Members may not receive allowances under the DIA regulations and allowances prescribed in this Volume for the same purpose*. The allowances include:

- 1. environmental and morale leave transportation,
- 2. travel and other expenses for dependent education,
- 3. home visitation between consecutive tours,
- 4. dependent travel in connection with TDY,
- 5. dependent visitation,
- 6. dependent care expenses connected with training of responsible dependents,
- 7. representational travel by dependents,
- 8. removal of dependents and HHG,
- 9. shipment of a POV.

Address requests for copies of DIAM 100-1 to Department of Defense, Defense Intelligence Agency, ATTN: DA, Washington, DC 20340-5339.

#### **U1010 IMPLEMENTATION**

A. <u>Entitlement Regulations</u>. The regulations in this Volume require no further entitlement implementation. When necessary, they may be supplemented by administrative regulations which shall not prescribe entitlements different from those in these regulations. It is recommended that each supplemental directive paragraph reference the JFTR.

- B. <u>Implementation Regulations</u>. Each Service, or Services jointly, should issue implementing administrative and/or procedural directives for certain entitlements. The listing below cites entitlements that do have implementing instructions provided by Service regulations. There may be additional implementing instructions that aren't specifically cited below.
  - 1. completion and submission of travel vouchers (see par. U2500 for receipt requirements). Also, see par. U5246;
  - 2. order endorsements related to foreign flag carriers (par. U3125-C4);
  - 3. procedures for the issuance, use and care of meal tickets, and for the payment for meals procured with the tickets (see par. U5018-B);
  - 4. procedures and conditions under which advance payments, authorized by these regulations (including those in Chapter 5, Parts B, C, D, F, and G see par. U5020)), may be made. (Also, see pars. U5165, U5250, U5560, U6013-A and B, U6060-A and B, and U9116-B);
  - 5. appropriate separation activities (see pars. U5125-A3 and U5130-A3);
  - 6. required documentation for reimbursement for personally procured transportation or travel by POC for dependents in connection with a ship being constructed or undergoing overhaul or inactivation (see par. U5222-M5);
  - 7. claims for self-procured HHG transportation (see pars. U5320-D);
- ★ 8. collection of excess costs (see pars. U5340-A2, U5380-A, U5415-C, U5445, U5520, and U5825);
  - 9. personal emergency determination (see par. U7205-A);
  - 10. transportation of the remains of deceased members and dependents (see Chapter 7, Part R);
  - 11. currency loss/gain procedures for OHA (see par. U9116-B);
  - 12. COLA payment while entitled to TLA (see par. U9207-E, Step 4a(2) and U9207-I, Example 4, after step 3);
  - 13. command sponsorship criteria (see Appendix A definition of COMMAND SPONSORED DEPENDENT), and;
  - 14. establishing childrens' dependency (see Appendix A definition of DEPENDENT);

# **U1015 EXPENDITURE AUTHORITY**

Nothing in these regulations provides authority for expenditures for purposes not provided for in appropriations.

## U1020 EFFECTIVE DATE OF REGULATION CHANGES

Changes to this Volume are effective, unless otherwise noted, on the date of the published change in which they first appear. This date appears in the lower right corner of each reprinted page. When the effective dates are different from the date of the published change, those dates are indicated.

# U1025 COMPTROLLER GENERAL (CG)/OFFICE OF THE SECRETARY OF DEFENSE (OSD) GENERAL COUNSEL (GC) DECISIONS

The application of basic laws, appropriation acts, JFTR, JTR, and departmental instructions to specific circumstances of travel is subject to interpretation by the CG/OSD GC. CG/OSD GC decisions provide guidance for similar cases/situations involving the same circumstances.

#### **U1030 TERMINOLOGY**

The terminology used in these regulations may be unique to this Volume. Consult the glossary in Appendix A, and the relevant Chapters and Parts, to determine the exact definition of specific terms. Definitions in this Volume may not be applicable to other Volumes or to other Government regulations.

# U1031 REIMBURSEMENT OF DEPARTMENT OF DEFENSE DOMESTIC DEPENDENT SCHOOL BOARD MEMBERS FOR CERTAIN EXPENSES

The Secretary of Defense may provide for reimbursement of a school board member for expenses incurred by the member for travel, transportation, lodging, meals, program fees, activity fees, and other appropriate expenses that the Secretary determines are reasonable and necessary for the performance of school board duties by the member. See Department of Defense Domestic Dependent School Directives. Department of Defense Dependent Elementary and Secondary Schools (DDESS) funds and issues necessary travel orders.

# U1036 NAVY MEMBERS ORDERED TO NUCLEAR POWER COMMAND TRAINING CURRICULUM

This paragraph applies to a test being conducted by the Department of the Navy for senior members initially entering the nuclear power training syllabus. Under test procedures, the Secretary of the Navy or the Secretary's designated representative may authorize a TDY assignment for members attending two or more sequential courses of instruction at different locations within a 12-month period, each course being 20 weeks or more in duration, provided that:

- 1. multiple PCS assignments would impact a member's family stability, or otherwise cause unusual personal/financial hardship to the member;
- 2. use of Government quarters and messing when available is directed; and
- 3. PCS versus TDY cost comparisons are considered before issuing orders.

# U1038 MEMBERS PARTICIPATING IN THE EDUCATIONAL LEAVE PROGRAM RELATING TO CONTINUING PUBLIC AND COMMUNITY SERVICES

( See par. U7656)

# U1039 DOD TEST OF SIMPLIFIED ENTITLEMENTS

Simplified travel entitlement rules in Appendix O govern TDY for members assigned to DoD Components listed in the table in Appendix O.

# U1045 HOTEL AND MOTEL FIRE SAFETY APPROVED ACCOMMODATIONS

Government policy is to save lives and protect property by promoting fire safety in hotels and other establishments that provide lodging to transient guests. Each DoD component must take appropriate steps to strongly encourage members who use commercial lodgings while on official travel to stay at firesafe-approved accommodations. Lodgings that have met the Government requirements are listed on the U.S. Fire Administration's internet site at: <a href="http://www.usfa.fema.gov/hotel/index.htm">http://www.usfa.fema.gov/hotel/index.htm</a>.

## ★ U1050 CONFERENCES/TRAINING AT THE PDS

Payment of registration fees, meals, lodging, travel, and/or other expenses required for conferences/training at the PDS may not be paid as travel allowances per 37 U.S.C., §404. For authority to pay related training costs at the PDS see 10 U.S.C., §2013; 5 U.S.C., §4109; 42 U.S.C., §218a; and 14 U.S.C., §469. The costs must clearly be an integral part of the training (39 Comp. Gen. 119 (1959); and B-244473, January 13, 1992). When training events require lodging and subsistence costs at the PDS, authority for training expense payment is made through the training and/or comptroller personnel using the above legal authority.

Change 146 U1-3 2/1/99

quarters are available. <u>NOTE</u>: This subparagraph applies only when the per diem rate where lodging is procured is higher than the per diem rate for the TDY location. The higher rate must be authorized/approved by the order-issuing official.

- g. Reimbursement for Costs of Renting or Using an Apartment, House, Mobile Home, Travel Trailer, or Recreational Vehicle While on TDY. A member on TDY who rents a furnished or unfurnished apartment, house, mobile home, travel trailer, or recreational vehicle (for example, a camper, camping vehicle), or who uses a privately owned mobile home, travel trailer, or recreational vehicle for quarters, may be authorized per diem computed under this paragraph. Subpar. d applies for lodging with friends or relatives. Allowable expenses which may be considered as a part of the actual lodging costs are listed below:
  - (1) rent of the apartment, house, mobile home, travel trailer or camping vehicle;
  - (2) rental charge for a parking space for a mobile home, travel trailer or camping vehicle;
  - (3) charges for rent of appropriate and necessary furniture, such as stoves, refrigerators, chairs, tables, beds, sofas, televisions and vacuum cleaners:
  - (4) cost of connection, use, and disconnection of utilities including electricity, natural gas, water, fuel oil and sewer charges;
  - (5) dumping fees;
  - (6) shower fees;
  - (7) cost of maid fees and cleaning charges;
  - (8) monthly telephone use fees (doesn't include installation charges and long distance calls--see par. U4505 for official communications); and
  - (9) if ordinarily included in the price of a hotel or motel room in the area concerned, the costs of special user fees such as cable TV charges and plug-in charges for automobile head bolt heaters.
- h. Allowance for Cost of Lodging Under the Barter System for Public Health Service Members. Public Health Service members assigned to TDY in remote Alaskan villages where there are no Government quarters, or where there are no suitable

commercial lodging facilities, may be reimbursed the cost of barter goods used in exchange for lodgings obtained in private dwellings. Reimbursement may not exceed 20 percent of the locality rate. Vouchers are supported by receipts for the barter goods together with the member's certification that the barter goods were delivered to the householder in consideration of lodgings received.

- i. Requirement for Dual Lodgings on Single Day. When a member is required by military necessity (not personal convenience) to procure or retain lodgings at more than one location on a calendar day, the lodging cost of the lodging used at or close to 2400 is the allowable lodging costs for the day. The other lodging cost incurred is reimbursable when approved by the order-issuing official (60 Comp. Gen. 630 (1981)).
- j. Allowable Expenses When Residence Purchased and Used for Lodgings on TDY. When a member purchases and occupies a residence at a TDY point because of the TDY assignment, the following costs are the allowable lodging expenses (57 Comp. Gen. 147 (1977)):
  - (1) monthly interest;
  - (2) monthly property tax;
  - (3) monthly utility cost actually incurred (doesn't include any installation and hook-up charges).

In determining the member's daily lodging cost, the allowable expenses are prorated on a 30-day month basis. In no case shall the total per diem payable exceed the applicable maximum locality rate for the area.

- k. <u>Lodging Cost for Quarters Jointly Occupied by Member and Dependents</u>. Lodging cost for quarters jointly occupied by a member and dependents is apportioned 50 percent for the member and 50 percent for the dependents (regardless of the number of family members) when a member in a per diem status is in receipt of TLA for dependents (par. U9202-C).
- 1. Lodging Obtained on Weekly or Monthly Rental Basis. When a member obtains lodging on a weekly or monthly rental basis, the daily lodging cost is computed by dividing the total lodging cost by the number of days the accommodations are actually occupied, provided the member acts prudently in renting by the week or month, and that the cost to the Government doesn't exceed the cost of renting conventional lodgings at a daily rate. Otherwise, the

daily lodgings cost shall be computed by dividing the number of days in the rental period (e.g., 7 or 30 days).

- 2. <u>Lodging and/or Meals Obtained Under Contract</u>. When a contracting officer contracts for rooms and/or meals for members traveling on TDY, the total daily amount paid by the Government for the member's lodging, meals, and incidental expenses may not exceed the applicable per diem authorized in this Part (60 Comp. Gen. 181 (1981) and 62 Comp. Gen. 308 (1983)).
- 3. Per Diem Computation. Generally, per diem is based on the TDY location of the member at 2400; however, there are occasions when the member is en route to a TDY location and doesn't arrive at the lodging site until 2400 or later. In that case, the lodging shall be claimed for the preceding calendar day and the maximum per diem is determined as if the member had been at the lodging location at 2400 of the preceding day. If authorized travel requires more than 1 day and a stopover for the night is required, the maximum per diem is based on the stopover point. The M&IE rate is payable to the member without itemization of expenses and without receipts. Box lunches, in-flight meals and rations furnished by the Government on military aircraft aren't a Government mess for per diem computation purposes. The meal rate established by the order can't be reduced afterthe—fact except for a deductible meal (Government meals paid for by the traveler and consumed in a Government mess aren't deductible meals, see par. U4125-A3g). However, order-issuing officials/ schoolhouse commanders may amend the orders to direct an immediate or future meal rate change.
- a. Day of Departure From and Day of Return to PDS. Seventy five percent (75%) of the appropriate M&IE rate prescribed in Appendix B or Appendix D is paid for the day of departure from the PDS and the day of return to the PDS in connection with TDY, regardless of what time the member departs or returns. On these days, the Government or proportional meal rate shall not apply. The M&IE rate for the day of departure and/or return to the PDS is the M&IE rate in Appendix B or Appendix D, applicable to the last TDY station, except when return travel requires more than one day and a stopover for the night is required. When that occurs, the M&IE rate for the en route stopover point applies to the day of departure from/return to the PDS. If authorized return travel to the PDS requires more than 1 day and additional stopovers are required, the maximum per diem is based on the additional stopover points. The per diem rate for the day of departure from the PDS is based on the member's location at 2400 on that day. If the member is traveling

and lodging isn't procured for that night, the M&IE rate for the destination is the applicable rate.

#### Effective 1 October 1998

- b. Determination of M&IE Rate
- (1) Full Days
- (a) CONUS
- 1. in Appendix D,
- standard Government meal rate for meals in a Government mess plus \$2 for incidental expenses. This rate applies each day that:
- a) adequate Government quarters are available on the U.S. installation to which the member is assigned TDY,
- b) the use of a Government mess is directed,
- the Government mess is available for all three meals on the U.S. installation to which the member is assigned TDY, and
- d) the member isn't traveling, or
- 3. the proportional meal rate (the average of the standard Government meal rate and the meals portion of the applicable M&IE rate as listed in Appendix D, rounded to the nearest dollar) plus \$2 for incidental expenses. The proportional meal rate applies each day that:
- a) adequate Government quarters are available on the U.S. installation to which the member is assigned TDY,
- ★ b) at least one meal is available and directed in a Government mess on the U.S. installation to which the member is assigned TDY, and
  - c) the member isn't traveling.
  - (b) OCONUS
  - in Appendix B, (use \$3.50 for the incidental expense rate instead of the incidental expense rate for the locality concerned when adequate Government quarters are available on the U.S. installation to which the member is assigned TDY, or

- 2. standard Government meal rate for meals in a Government mess plus \$3.50 for incidental expenses. This rate applies each day that:
- a) adequate Government quarters are available on the U.S. installation to which the member is assigned TDY
- b) the use of a Government mess is directed,
- the Government mess is available for all three meals on the installation to which the member is assigned TDY, and
- d) the member isn't traveling.
- 3. the proportional meal rate (the average of the standard Government meal rate and the meals portion of the applicable M&IE rate as listed in Appendix B, rounded to the nearest dollar) plus the incidental expense rate. The proportional meal rate applies each day that:
- a) adequate Government quarters are available on the U.S. installation to which the member is assigned TDY,
- ★ b) at least one meal is available and directed in a Government mess on the U.S. installation to which the member is assigned TDY, and
  - c) the member isn't traveling.

<u>NOTE</u>: The incidental expense rate OCONUS is that in Appendix B, or \$3.50 when the member is TDY to a U.S. installation and Government quarters are available. There are two exceptions:

- 1. The order-issuing official can determine \$3.50 to be adequate for anticipated expenses when the member isn't lodged on a U.S. installation. The OCONUS incidental expense of \$3.50 may be authorized and must be stated in the travel order.
- 2. The order-issuing official can determine that the \$3.50 isn't adequate on a U.S. installation and authorize/approve the incidental expense rate in Appendix B. In this case, payment of the Appendix B incidental expense rate must be stated in the travel order.
- (2) If No Per Diem Entitlement at TDY Point. The M&IE rate payable on the day of arrival at, and departure from, the TDY point is the M&IE rate for

that location, unless the member is in a different TDY location at 2400 on that day. On a ship, the port of embarkation/debarkation M&IE rate applies.

- ★ (3) Schoolhouse Training (Formal Courses of Instruction). Orders to schoolhouse training must allow the schoolhouse commander to determine the appropriate meals rate. If there is information about the course that provides the appropriate meal rate, that information, and its source, should be part of the order. If that information isn't available prior to issuance of the order, the information must be provided to the traveler upon arrival at the school and submitted with the travel youcher.
- c. Lodging. If lodging is required while on TDY or at a delay point, the lodging cost, not to exceed the lodging maximum prescribed for the TDY or delay location in Appendix B, or Appendix D, shall be added to the M&IE rate for that location to determine the per diem rate for the day, the total amount not to exceed the per diem rate for the locality concerned. When lodging has been obtained in accordance with subpar. If, at a location other than the TDY location, the per diem rate for the lodging location applies.
- d. TDY of More Than 12 Hours But Not Exceeding 24 Hours. Per diem under this subparagraph is determined by allowing 75% of the M&IE rate for the location of the TDY assignment prescribed in Appendix B, or Appendix D. If more than one location is involved and the member isn't required to obtain lodging, the per diem allowance is calculated using the highest M&IE rate. If the member must obtain lodging, the rules for travel of more than 24 hours as prescribed above apply No deduction for meals is made. Per diem isn't authorized under this subparagraph when travel is performed in the local area
- (1) <u>Lodging Not Required</u>. If lodging isn't required, per diem for the entire trip, whether performed within one or two calendar days, shall be 75% of the TDY location M&IE rate for one day. If more than one TDY point is involved, per diem is calculated using the highest of the M&IE rates prescribed for the TDY locations. Per diem isn't authorized under this subparagraph when travel is performed in the local area.
- (2) <u>Lodging Required</u>. If lodging is required, the rules for travel of more than 24 hours apply.
- e. <u>Essential Unit Messing</u>. When the Secretary concerned or, for a JTF, the CINC or JTF Commander determines that Government messing is essential to accomplish training and readiness, enlisted personnel

receive meals without charge and officers pay the discounted meal rate. There is no entitlement to the meal portion of the M&IE allowance. The incidental expense rate is \$2 in CONUS, or the incidental rate in Appendix B, or \$3.50 OCONUS when the orderissuing authority determines \$3.50 to be adequate for anticipated expenses.

- f. <u>Use of Government Mess Under Special</u>
  <u>Circumstances.</u> When a member on TDY uses a
  Government mess, the member is charged the full rate
  for each meal (charges for both food and related
  services) unless one of the following conditions exist:
  - (1) field duty,
  - (2) duty on a U.S. Government vessel,
  - (3) group travel status, or
  - (4) essential unit messing.

When one of these conditions exists, an enlisted member receives meals without charge and an officer pays the discounted rate (charges for food only). Neither an enlisted member nor an officer is entitled to any reimbursement of meal expenses.

- g. <u>Deductible Meals</u>. The proportional per diem rate prescribed in subpars. U4125-A3b(1)(a)3. and (b)3. above applies on any day when one or two deductible meals are provided. A deductible meal is a meal:
  - (1) made available pursuant to an agreement between a Uniformed Service and any organization, if the order directs use of the facility providing the meal(s);
  - (2) included in a registration fee ultimately paid for by the Government;

- (3) furnished at no cost to the member by a school while attending a course of instruction if the cost of the meal is ultimately paid for by the Government; or
- (4) furnished by the Government at no cost to a member;

The following aren't deductible meals:

- box lunches, (which include such things as C Rations, K Rations, MRE's) – except when MRE's and/or other box lunches are the only method of providing adequate subsistence to members,
- (2) in-flight meals,
- (3) rations furnished by the Government on military aircraft,
- (4) Government meals paid for by the traveler and consumed in a Government mess,
- (5) meals furnished on commercial aircraft, or
- (6) meals provided by private individuals.

NOTE: If all three meals are provided/consumed at no cost to the member, only the incidental expenses for that day (\$2 in CONUS, or the incidental expenses in Appendix B or \$3.50 OCONUS) is payable.

h. <u>Lodging Required on the Day Travel Ends.</u>
When lodging is required on the day travel ends and the order-issuing official authorizes/approves the member to obtain lodging, the lodging reimbursement shall be based on the locality rate, or AEA if appropriate, for the en route TDY site.

# PART E: USE OF GOVERNMENT QUARTERS AND GOVERNMENT MESS

#### **U4400 GENERAL**

#### A. Government Quarters

- 1. Quarters Available. A member on official travel must use adequate available Government quarters. When adequate Government quarters are available and other lodging is used, the reimbursement for a member on official travel is limited to the Government quarters cost.
- 2. Quarters Not Available. Government quarters aren't available when:
  - a. TDY or delay point is to other than a U.S. installation;
  - b. the order-issuing official determines use of Government quarters would adversely affect mission performance (this doesn't apply to members attending service schools at an installation); officers in grades 0-7 through 0-10 make this determination for their own travel;
  - c. the travel is in connection with a PCS:
    - (1) and per diem is payable under par. U5105 (MALT plus);
    - (2) the member is accompanied by dependents authorized to travel concurrently, and the family unit can't be lodged together in Government quarters at ports of embarkation/debarkation; or
    - (3) to a ship or an afloat staff homeported OCONUS, the member, accompanied by dependents authorized to travel concurrently, is put on TDY at the homeport awaiting arrival of the ship/staff or onward transportation, and Government quarters aren't available for the family unit; or
  - d. all periods of travel en route;
  - e. any TDY or delay of less than 24 hours at one location; or
  - f. the member is TDY at a medical facility as a nonmedical attendant accompanying a dependent in an outpatient status (see par. U7551).
- 3. <u>Documentation</u>. The travel order or voucher must document when one of the above circumstances applies. In all other situations:
  - a. the availability of Government quarters must be checked and documented by the order-issuing official;
  - b. the travel order or voucher must document that quarters aren't available by:
    - (1) the confirmation number provided by the Service in its registration process;
    - (2) the date the attempt to acquire reservations was made and the phone number and point of contact at the billeting office contacted; or
    - (3) member documentation that Government quarters weren't available on arrival; and
  - c. the order-issuing official authorizes/approves commercial lodging.

<u>NOTE</u>: FOR COAST GUARD PERSONNEL ONLY: Government quarters are available only if use is directed in the order.

# B. Government Mess

- 1. Mess Available. Government mess must be used to the maximum extent practicable.
- 2. Mess Not Available. It isn't practical to direct the use of Government mess:
  - a. when Government lodging on the installation isn't available (see subpar. A) for the member while on official travel;
  - b. on travel days; or
  - c. when the order-issuing official determines:
    - (1) the use of the mess adversely affects mission performance;
    - (2) there's excessive distance between the mess and place of duty, and/or the mess and place of lodging;
    - (3) transportation isn't reasonably available between the mess and place of duty, and/or the mess and place of lodging; or
    - (4) duty hours and mess operating hours aren't compatible.
- 3. <u>Documentation</u>. Travel orders shall note if mess is directed for all three meals each day or if the proportional meal rate is directed. If mess is directed:
  - a. and mess nonavailability is known before the trip, the order should note that nonavailability;
  - b. but during the trip it isn't available, the member shall be reimbursed:
    - (1) the full M&IE meal rate if all three meals aren't available, or
    - (2) the proportional rate if one or two meals aren't available,

if the order-issuing official accepts the member's certification of nonavailability.

★ <u>NOTE</u>: When orders, with the exception of those to schoolhouse training (see par. U4125-A3b(3)), don't direct the government or proportional meal rate, the locality M&IE rate shall be paid (see par. U4125-A3g for deductible meals).

# PART I: REIMBURSEMENT OPTIONS FOR MEMBERS ON TDY WITH A JOINT TASK FORCE

#### **U4800 DEFINITIONS**

- A. <u>Joint Task Force (JTF)</u>. A force composed of assigned or attached elements of the Army, the Navy, the Marine Corps, and the Air Force, or two or more of these Services, which is constituted and so designated by the SECDEF or by the commander of a unified command, a specified command, or an existing joint task force (as defined by Joint Publication 1-02, DoD Dictionary of Military and Associated Terms). For the purposes of this Chapter, the definition also includes Coast Guard.
- B. Operational Deployment. Those contingencies or other operations directed by the SECDEF in support of a United Nations (UN) or JTF mission. These include, but aren't limited to, UN and JTF peacekeeping, nation building, and humanitarian missions; and operations against an actual or potential enemy. (See Appendix A for a definition of Contingency Operations.)
- C. <u>Exercises</u>. Those Service, CINC, or CJCS training military maneuvers or simulated wartime operations whose primary purpose is to enhance unit readiness and mission capability. For example, war games, field exercises, or maneuvers which may or may not involve more than one Service. Members/units are placed in field duty.
- ★ D. TDY Options. The CINC or the JTF Commander determines the appropriate TDY option (which establishes the entitlement) after consultation with Service component commanders. The CINC or JTF commander must communicate this decision (including the appropriate meal rate) to the appropriate Services for inclusion in orders.. (NOTE: JTF exercises must be field duty.) The three TDY options (regular TDY, EUM, and field duty) are described below. This determination applies to all members temporarily assigned for operational deployment to a JTF performing duty under similar conditions within the same area of operations. For those members either (1) not located in the JTF area of operations but who are operating in a support capacity, or (2) are located in the JTF area of operations but aren't part of the JTF, the Secretarial Process for each Service may direct a TDY option different than the one used for JTF members.

# 1. Regular TDY

- a. <u>Explanation</u>. A member travels to one or more locations away from the PDS for the purpose of performing TDY ordinarily for less than 180 days (see par. U2145-B for exceptions and waiver authority to the 180 day limit). The member is reimbursed for lodging, meals and incidental expenses as indicated in par. U4125, or subpar. b.
- b. <u>JTF Temporary Dining Facilities</u>. There are special meal per diem provisions for members when a JTF Temporary Dining Facility is set up to feed U.S. troops deployed in support of the JTF mission. Members consuming meals at the JTF temporary dining facility pay the discounted meal rate plus an incidental expense of either \$2.00 in CONUS or the incidental rate in Appendix B, or \$3.50 OCONUS when on a U.S. installation or the CINC or the JTF commander determines \$3.50 to be adequate for anticipated expenses. If the member's statement is accepted to support increased per diem for a missed meal at a JTF temporary dining facility, the member is entitled to the proportional rate (see par. U4125-A3b(1)(a) <u>3</u> and (b)<u>3</u>) for that day. JTF members outside the AOR or en route to the AOR pay the full meal rate, and are reimbursed according to par. U4125.
- c. <u>Regular TDY Use</u>. As a general rule, members on an operational deployment (see exceptions for exercises in subpar. 4 below) are on "regular" TDY.

# 2. Essential Unit Messing (EUM)

- a. <u>Explanation</u>. EUM may be required in a command or organizational unit when it enhances operational readiness or the conduct of military operations or is necessary for the effective conduct of training. Designation of EUM is applied only to organizational units, operational elements, or detachments; not to individual service members. The member is provided Government quarters, and to maintain unit readiness, is required to use Government messing. The member is paid the incidental portion of the daily M&IE rate.
- b. <u>Use</u>. EUM may be used for operational deployments when the circumstances described above apply.

#### 3. Field Duty (Appendix A)

- a. <u>Explanation</u>. During field duty the member is subsisted in a Government mess or with an organization drawing field rations, and the member is serving with troops on maneuvers, war games, field exercises, or similar types of operations. Members are furnished Government quarters or are quartered in accommodations ordinarily associated with field exercises. Everything ordinarily covered by per diem is furnished and no per diem is paid. Note that a competent official may place members, furnished quarters and subsistence obtained by contract, in a field duty status.
- b. <u>Use</u>. Members participating in the events discussed above and furnished quarters and subsistence should be placed on field duty.

# PART C: DEPENDENT TRAVEL AND TRANSPORTATION ALLOWANCES

#### U5200 PURPOSE

This Part prescribes dependents' travel and transportation allowances incident to a PCS move and under unusual or emergency circumstances. Chapter 7 includes dependents' travel and transportation allowances in other special circumstances.

#### U5203 BASIC ENTITLEMENTS

- A. <u>General</u>. Members are entitled to dependents' PCS travel and transportation allowances (except as indicated in subpar. B) for travel between points authorized in this Volume. Unless otherwise specified in this Part, the entitlement conditions in Part B apply. Except for travel by mixed modes under par. U5105-E, dependents' PCS travel and transportation allowances are:
  - 1. transportation-in-kind or Governmentprocured transportation (see par. U5105-D) plus per diem (see par. U5210); or
  - 2. reimbursement for common carrier transportation procured at personal expense (see par. U5105-C) plus per diem (see par. U5210); or
  - 3. MALT (see par. U5105-B) for POC travel, plus per diem (see par. U5210) for the number of days required for travel between authorized points, up to the allowable travel time computed under par. U5160.

POC use for PCS travel, other than transoceanic, is advantageous to the Government. If a member elects not to move dependents when authorized, dependents' travel and transportation allowances for still-eligible dependents are payable incident to a subsequent PCS up to the greater of the distance to the new PDS from the:

- 1. HOR, PLEAD, designated place, or PDS from which the member elected not to move dependents; or
- 2. last PDS.

Any interim changes of station, for which a member didn't claim dependents' travel and transportation allowances, are ignored.

- B. When Dependents' Travel and Transportation Allowances Aren't Payable. Members aren't entitled to dependents' travel and transportation allowances:
  - 1. When a member is:
  - a. a cadet or midshipman;
  - assigned to a school or installation as a student, if the course of instruction is to be of less than 20 weeks duration (except as noted in par. U2145-D);
  - c. an enlisted member of a Reserve component called (or ordered) to IADT for less than 6 months;
  - d. called (or ordered) to active duty (including active duty for training) for less than 20 weeks (except as noted in par. U2145-D), or active duty for training for 20 or more weeks when the active duty is at more than one location, but less than 20 weeks (except as noted in par. U2145-D) at any one location;
  - 2. When a dependent:
  - a. is a member on active duty on the effective date of the orders (see par. U5215-I for travel and transportation allowance entitlements when a spouse is no longer on active duty);
  - b. travels at personal expense before PCS orders are issued or before official notice is received that such orders are to be issued (see subpar. C) (transportation in kind, including Government-procured transportation, shall not be furnished before PCS orders are issued);
  - c. isn't a dependent on the effective date of the PCS order (see Appendix A) (entitlement to allowances in pars. U5215-1 and U5240-K is unaffected);

- ★ d. receives any other type of Government travel allowances for this travel:
  - e. is a member's or spouse's parent, stepparent, or person in loco parentis as set forth in Appendix A, definition of Dependent item 8, who doesn't reside in the member's household, unless otherwise authorized/approved through the Secretarial Process; or
  - f. is a dependent child who isn't under the member's legal custody and control on the effective date of PCS orders (B-131142, June 3, 1957) (see par. U5215-J for travel entitlement when legal custody and/or control changes after the effective date of PCS orders);
  - 3. For dependents' travel:
  - a. any portion of a journey they are transported by a foreign registered vessel or airplane, if U.S. registered vessels or U.S. flag air carriers are available for the usually traveled route (however, per diem is payable);
  - b. between points otherwise authorized in this Part to a place at which they don't intend to establish a permanent residence (including pleasure trips). For PCS travel of a student (see definition in par. U5243-C2c), the permanent residence of the student not living with the member while at school is the member's PDS, or the designated place of the member's dependents if they aren't authorized to reside with the member);
  - c. when transportation is made available (whether used or not) to a member for the dependents by a foreign government, at no cost to the United States or the member, under a contract or agreement with the United States (however, per diem is payable);
  - d. for transoceanic or OCONUS land transportation when the member is without dependents as defined in par. U9000-B, items 3 and 4 (unless a member is assigned to a COT and is to serve an accompanied tour at the new PDS--see par. U5222-F2, F4, and G);

- e. to an OCONUS PDS when a member's unexpired term of service is less than the prescribed OCONUS tour, unless the member voluntarily extends the term of service to permit completion of the prescribed tour or the Secretary concerned grants an exception to the normal OCONUS tour on an individual case basis;
- f. to an OCONUS PDS when the dependents aren't command sponsored prior to travel commencement or when the member has less than 12 months remaining on the OCONUS tour after the dependents are scheduled to arrive, unless specifically exempt under pars. U5222-B and E;
- g. to CONUS when the presence of the dependents at the OCONUS PDS wasn't authorized/approved by the appropriate OCONUS military commander;
- h. to a TDY station (when a member is assigned to indeterminate TDY, see par. U4605);
- when the member is: in an AWOL status; a deserter or straggler; dropped or dismissed; transferred as a prisoner to a place of detention; transferred to a different location to await trial by court-martial; or in confinement, except as provided in pars. U5240-D2, item h; or U5240-J1 or J2.
- C. Travel Before Orders Issued. A member entitled to dependents' travel and transportation allowances is authorized the entitlements in subpar. A for dependents' travel performed during the period before PCS orders are issued and after the member is advised that such orders will be issued. General information furnished to the member concerning orders issuance before the determination is made to actually issue the orders (such as time of eventual release from active duty, time of expiration of term of service, date of retirement eligibility, and expected rotation date from OCONUS duty) isn't advice that the orders are to be issued (52 Comp. Gen. 769 (1973)). Vouchers must be supported by statements by the PCS orders-issuing official or a designated representative, that the member was advised in accordance with the requirements of this subparagraph. This subparagraph doesn't apply to the travel contemplated in pars. U5240 and U6004.

# PART E: TRANSPORTATION OF PRIVATELY OWNED VEHICLES (POV)

#### U5400 GENERAL

This Part prescribes POV transportation entitlements, and the associated allowances for travel to and from designated ports for loading and unloading of the POV.

#### U5405 ELIGIBILITY

Transportation of a POV (see definition of POV in Appendix A) for the member's or dependents' personal use may be authorized for a member:

- 1. when ordered to make a PCS to, from, or between OCONUS stations;
- 2. upon change of homeport of the vessel to which assigned; or
- 3. when ordered to make a PCS within CONUS and the member can't drive (see par. U5414-C).

#### **★** U5410 POV ENTITLEMENT

- A. POV Transportation Permitted. An eligible member may transport one POV of 20 measurement tons:
  - 1. to the port serving the new PDS,
  - 2. to the port serving another authorized place (see subpar. B and par. U5455-A and B), or
  - 3 to the new PDS if authorized/approved by the Secretarial Process. POV transportation shall be denied when restricted, suspended, or prohibited (see par. U5415).

For POV shipment to the first PDS, or to the port serving the first PDS, the "old PDS" is the HOR of the member. For combining POV shipping weight limits when husband and wife are members, see par. U5415-D.

B. When Transportation to the New PDS Isn't Permitted

# <u>NOTE</u>: For storage when transportation of a POV isn't authorized to a foreign OCONUS PDS, see Chapter 5, Part I.

- 1. General. A member ordered on a PCS to an OCONUS PDS:
  - a. to which transportation of a POV isn't permitted,
  - b. at which the member serves a dependent restricted or unaccompanied tour, or
  - c. when concurrent travel of dependents has been denied and dependents have moved to a designated place (see par. U5222-C3a)

transportation of one POV, intended for the member's or dependents' use, is permitted from the designated POV loading port normally serving the old PDS to the designated POV unloading port normally serving:

- a. any place in CONUS the member designates, if the old PDS is OCONUS;
- b. Alaska, Hawaii, Puerto Rico, or any territory or possession of the United States, to which dependent transportation is authorized/approved under Part C; or

c. any OCONUS location to which dependent transportation is authorized under par. U5222-D1, item c or d.

## 2. Subsequent Shipment

- a. A member serving a dependent restricted or unaccompanied tour at a PDS may, upon receipt of command sponsorship of dependents at that PDS, ship a POV from the port serving the designated place to which dependents were previously moved to the port serving the member's PDS.
- b. A member ordered on a PCS to a PDS to which transportation of a POV is permitted or to which transportation of dependents is authorized may transport a POV from the port serving the place to which a POV was shipped under subpar. 1, to the port serving the place to which the member is authorized to travel under PCS orders.
- C. <u>Transportation of a Replacement POV</u>. When a POV, transported to an OCONUS area at Government expense, is no longer adequate for transportation needs, the Secretarial Process may permit transportation of a replacement POV. Such replacement may be permitted only if the:
  - 1. POV being replaced has deteriorated due to severe climatic conditions or was lost through fire, theft, or similar causes; or
  - 2. member is serving consecutive OCONUS tours of duty and the POV being replaced has worn out due to age and normal deterioration (B-212338, December 27, 1983).

A member may transport only one replacement POV during any 4-year period when the POV being transported replaces one that is worn out due to age and normal deterioration.

#### U5413 REIMBURSEMENT FOR TRAVEL FOR POV DELIVERY AND/OR PICK-UP

- A. <u>General</u>. An eligible member entitled to POV transportation in connection with a PCS is entitled to reimbursement for the POV delivery to a designated POV loading port and pick-up from a designated POV unloading port. The Service concerned designates the ports, using the constraints of par. U5435. No entitlement exists under this subparagraph when POV transportation to the new PDS isn't permitted. See par. U5410-B. Travel time computed under par. U5160 is allowed for the round trips to deliver and pick-up a POV under this subparagraph.
- B. <u>Delivery/Pick-up of a POV When Travel Isn't Concurrent with PCS Travel</u>. An eligible member is entitled to a round-trip transportation payment at the automobile mileage rate (see Appendix A) from the:
  - 1. old PDS to the designated POV loading port; and
  - 2. designated POV unloading port to the new PDS.
- C. Delivery of a POV Accomplished Concurrently with Member's PCS Travel and No TDY En Route Involved
  - 1. <u>Delivery Travel to Passenger Port Via Vehicle Port</u>. When a member and/or dependent(s) delivers the POV from the old PDS to the designated POV loading port, and then travels to the passenger port facility, the member is authorized:
    - a. MALT at the applicable rate per mile (see par. U5105-B1) for the official distance from the old PDS to the designated POV loading port; and

b. Government procured commercial transportation, reimbursement for commercial transportation procured at personal expense, or a MALT for travel by POC. See pars. U5105-B1 and/or U5205-A2 for direct travel from the designated POV loading port to the passenger POE. The reimbursement for transportation from the designated POV loading port to the passenger POE shall not exceed the cost for direct travel from the old PDS to the passenger POE.

In addition, members receive a flat per diem rate of \$50, and per diem for travel of dependents (see par. U5210). The flat per diem allowance is computed not to exceed the allowable travel time for travel from the old PDS to the designated passenger POE (see par. U5160-F).

- 2. <u>Delivery Travel to Vehicle Port Via Passenger Port</u>. An eligible member, who travels from the old PDS to the passenger POE, then to the designated POV loading port, and then returns to the passenger port, is paid PCS allowances from the old PDS to the passenger port, plus the automobile mileage rate (see Appendix A) for the official one-way distance from the passenger port to the designated POV loading port. Reimbursement for travel back to the passenger POE isn't authorized.
- D. <u>Pick-up of a POV Accomplished Concurrently with Member's PCS Travel and No TDY En Route Involved.</u>
  When a member and/or dependent(s) travels from the passenger POD to the designated POV unloading port concurrent with PCS travel to the new PDS, the member is authorized:
  - 1. MALT (see par. U5105-B1 and/or U5205-A2) for the official distance from the designated POV unloading port to the new PDS; and
  - 2. Government procured commercial transportation, reimbursement for commercial transportation procured at personal expense, or a MALT for travel by POC. See pars. U5105-B1 and/or U5205-A2 for direct travel from the passenger POD to the designated POV unloading port. The reimbursement for transportation from the passenger POD to the designated POV unloading port shall not exceed the cost for direct travel from the passenger POD to the new PDS.

In addition, members receive a flat per diem rate of \$50, and a per diem for travel of dependents (see par. U5210). The flat per diem allowance is computed for a period not to exceed the allowable travel time for-travel from the passenger POD to the new PDS (see par. U5160-F).

- E. POV Delivery/Pick-up to/from a Designated POV Port Accomplished Concurrently with TDY En Route
  - 1. <u>Delivery of a POV to Port in Connection with TDY En Route</u>. A member who delivers a POV to a designated POV loading port in connection with PCS travel overseas with TDY en route, is authorized:
    - a. a MALT of \$0.15 per mile for the official distance from the old PDS to the TDY station(s) en route plus a per diem (see par. U5105-B2);
    - b. a MALT of \$0.15 per mile for travel for the official distance from the TDY station to the designated POV loading port; and
    - c. Government-procured commercial transportation, reimbursement for commercial transportation procured at personal expense, or a MALT for travel by POC (see par. U5105-B1) for direct travel from the designated POV loading port to the passenger POE. The reimbursement for transportation from the designated POV loading port to the passenger POE shall not exceed the cost for travel from the TDY station to the passenger POE.

In addition, members receive a flat per diem for the travel in items b and c for the allowable travel time (see par. U5160-F) for travel from the TDY station to the passenger POE. <u>NOTE</u>: When a dependent(s) accompanies the member and/or delivers the POV to the designated POV loading port, the travel and transportation allowances for the dependent(s) are computed using par. U5220.

- 2. <u>Pick-up of a POV in Connection with TDY En Route</u>. A member who picks up a POV from a designated POV unloading port in connection with PCS travel to an en route TDY station, is authorized:
  - a. Government-procured commercial transportation, reimbursement for commercial transportation procured at personal expense, or a MALT for travel by POC (see par. U5105-B1) for direct travel from the passenger POD to the designated POV unloading port;
  - b. MALT of \$0.15 per mile for the member's travel for the official distance from the designated POV unloading port to the TDY station; and
  - c. MALT of \$0.15 per mile for travel for the official distance from the TDY station en route to the new PDS plus a per diem for the member at the rates prescribed in par. U5105-B2.

The total reimbursement for items a and b shall not exceed the cost for travel from the passenger POD to the TDY station. In addition, members receive a flat per diem for the travel in items a and b for the allowable travel time (see par. U5160-F) for travel from the passenger POD to the TDY station. <u>NOTE</u>: When a dependent(s) accompanies the member and/or picks up a POV from the designated POV unloading port, the travel and transportation allowances for the dependent(s) are computed using par. U5220.

#### U5414 TRANSPORTATION OF POVS OVERLAND BY CARRIER

- A. OCONUS Transportation of POV Overland by Carrier from Old to New PDS Incident to Unit Move. Each eligible member of a unit ordered on PCS to, from, or between OCONUS PDSs, may be provided transportation by overland carrier of a POV from the unit's old PDS to the designated POV loading port, and from the designated POV unloading port to the new PDS.
- B. <u>Transportation of a POV Overland by Carrier Between OCONUS Port and OCONUS PDS</u>. An eligible member ordered on a PCS to, from, or between OCONUS PDSs, may be provided transportation of a POV between the OCONUS PDS and the OCONUS port when the Secretarial Process authorizes/approves such transportation based on a determination that:
  - 1. a travel hazard exists between the port and PDS;
  - 2. the member is physically unable to drive between the port and PDS; or
  - 3. the conditions of the member's orders or assignment are such that it is prudent for overland transportation to be provided. (Example 1: Member's new PDS is Moscow. The POV is at the Helsinki port. The member is in a sensitive position in Moscow and it's determined prudent to have the POV transported by overland carrier. Example 2: The member is assigned to a landlocked country. The foreign Government concerned requires the member to remain inside the country. The member can't travel to the port to pick up the POV, so overland transportation is authorized.)
- C. <u>PCS within CONUS</u>. An eligible member ordered on PCS within CONUS who can't drive, may be provided transportation of a POV. See par. U5425. Transportation may be authorized/approved when:
  - 1. the member is physically unable to drive, or
  - 2. there is insufficient time (see par. U5160) for the member to drive and report to the new PDS as ordered.

# ★ U5415 TRANSPORTATION RESTRICTIONS

A. Restrictions of a POV Purchased in a Nonforeign OCONUS Area. A POV purchased in a nonforeign OCONUS area by a member not permanently assigned there at the time of the purchase, generally shall not be shipped at Government expense during the first PCS following purchase of the POV. The exception to the general prohibition

Change 146 U5E-4 2/1/99

is if the POV is used by the member or dependent for transportation at the member's OCONUS PDS. This subparagraph doesn't apply to alternate port shipments authorized by the Secretary concerned.

- B. <u>Restriction</u>, <u>Prohibition</u>, <u>or Suspension to a Member's OCONUS PDS</u>. Shipment of POVs to an OCONUS area may be restricted, prohibited or suspended when:
  - 1. determined to be necessary by the Service concerned;
  - 2. determined to be necessary for reasons of national interest by the Secretary concerned or higher authority; or
  - 3. directed by the foreign government concerned.
- C. Restriction on Size of Vehicle. A member who desires to ship a POV which exceeds 20 measurement tons must sign an agreement to pay the excess transportation costs (see par. U1010-B8) unless the Secretarial Process has authorized/approved this shipment because an oversized POV is required by the member or dependent(s) for medical reasons. Collection of such excess costs are made in accordance with Service regulations. This subparagraph doesn't apply to travel aboard oceangoing car ferries.
- D. Combining POV Weight Limitations When Husband and Wife Are Members. The 20 measurement tons limitation contained in subpar. C may be combined for the purpose of shipping one larger vehicle at Government expense in lieu of a POV shipment for each member during the transfer of both members under PCS orders. Payment for transporting the vehicle may not exceed the total cost the Government would have incurred if each member had shipped a vehicle of 20 measurement tons through the designated POV loading port.

#### U5425 METHODS OF TRANSPORTATION

- A. <u>Government and Commercial Means</u>. Transportation of a POV for an eligible member is authorized to the port serving the new PDS, or other places authorized in this paragraph, via:
  - 1. Government owned shipping facilities;
  - 2. Government procured (commercial) U.S. flag shipping facilities, including a state owned ferry system (55 Comp. Gen. 672 (1976));
  - 3. Government procured (commercial) foreign flag shipping facilities if Government owned or Government procured (commercial) U.S. flag shipping facilities aren't reasonably available; or
  - 4. other surface transportation if such means of transportation doesn't exceed the cost to the Government of other authorized means.

The Secretarial Process may authorize the transportation of a POV by commercial means, if available at reasonable rates and under reasonable conditions. The use of air freight for transportation of POVs isn't authorized (54 Comp. Gen. 756 (1975)). See subpar B and par. U5455-E about reimbursement for commercial transportation procured at personal expense.

- B. <u>Reimbursement for Personally Procured Transportation</u>. An eligible member, who hasn't transported a POV at Government expense incident to a PCS, is entitled to reimbursement for the expense incurred when:
  - 1. personally procured POV transportation was based on erroneous advice of a representative of the Government (Reimbursement under this item shall not exceed the cost that would have incurred if the Government had arranged the transportation (51 Comp. Gen. 838 (1972)); or
  - 2. a POV is transported on oceangoing car ferries in connection with a PCS between an OCONUS PDS and a CONUS PDS, or between two OCONUS PDSs provided:

- a. the use of such service is authorized in the orders concerned;
- b. commercial shipping services are used; and
- c. when foreign registered carriers are used, the statement relating to the nonavailability of U.S. registered vessels required by par. U3130-D3 is attached to the reimbursement voucher.

Additional authority exists for reimbursement under other circumstances (see par. U5455-E).

#### U5435 PORTS USED

- A. <u>Designation of Ports</u>. The Service concerned designates ports to be used for loading and unloading POVs transported under this Part.
- ★ B. Alternate Ports. Transportation may be between ports other than the designated ports (i.e., between alternate ports), provided the member reimburses the Government for any excess cost involved. An alternate port shall be in the same country as the designated port, unless an alternate port in a different country is authorized/approved by the Secretary concerned. This authority shall not be delegated. Secretarial authorization/approval isn't required to select an alternate CONUS port from which to ship a POV.
  - C. <u>Transshipment from a Designated Port</u>. A POV transported from an OCONUS port to the designated CONUS port, may be transshipped to another CONUS port if:
    - 1. the PCS orders are amended or modified before the member takes delivery of the POV at the designated POV unloading port;
    - 2. transshipment is authorized by the Secretarial Process;
    - 3. the member agrees to reimburse the Government for the cost of the transshipment; or
    - 4. direct ocean service isn't available from the designated POV loading port to the designated POV unloading port in a reasonable amount of time after delivery of the POV.

### U5440 FACTORS AFFECTING TRANSPORTATION OF POV

- A. <u>Transportation of POV May Be Deferred</u>. An eligible member isn't required to transport a POV each time entitled to such transportation. An eligible member electing not to transport a POV at Government expense may, upon assignment to another PDS where shipping entitlement exists, transport the POV from the designated POV loading port serving the:
  - 1. PDS from which the member elected not to use the POV transportation entitlement, to the designated POV unloading port serving the new PDS named in the current PCS orders; or
  - 2. present PDS to the designated POV unloading port serving the new PDS named in the current PCS orders;

whichever provides the greater entitlement.

- B. <u>Shipping Error</u>. A POV, shipped by the Government to a wrong destination, is reshipped or transshipped to the proper destination at Government expense.
- C. Orders Amended, Modified, Canceled or Revoked. A POV transported after receipt of PCS orders may be reshipped or transshipped to the proper destination, including the old PDS, at Government expense if PCS orders are later amended, modified, canceled, or revoked.

- D. <u>Transportation Before Orders Issued</u>. Transportation of a POV is permitted (see pars U5710-A and U5415-B), before PCS orders are issued to an eligible member, provided the request is supported by a:
  - 1. statement from the PCS order-issuing official or the designated representative that the member was advised before such orders were issued that they would be issued;
  - 2. written agreement signed by the applicant to remit the entire cost of transportation if PCS orders to authorize transportation aren't issued later;
  - 3. written agreement signed by the applicant to pay any additional costs for transshipment of the POV to another port required because the new PDS named in the orders is different than that named in the statement required in item 1.

The length of time before PCS orders are issued, during which a member may be advised that the PCS orders are issued, may not exceed the relatively short period between the time when a determination is made to order the member to make a PCS and the date the orders are actually issued. General information furnished to the member concerning the issuance of PCS orders before the determination is made to actually issue the orders (such as time of eventual release from active duty, time of expiration of term of service, date of eligibility for retirement, date of expected rotation from OCONUS duty, etc.) may not be considered as advice that the orders shall be issued (52 Comp. Gen. 769 (1973)).

#### U5445 EXCESS COST COLLECTION

Excess transportation costs, incurred by the Government must be collected (see par. U1010-B8). This provision isn't applicable to POV transportation aboard oceangoing car ferries.

#### U5455 POV TRANSPORTATION UNDER UNUSUAL OR EMERGENCY CIRCUMSTANCES

- A. Incident to Unusual or Emergency Circumstances-Official and Personal Situations
  - 1. <u>Transportation of Dependents from Overseas Authorized</u>. Orders authorizing transportation of dependents from overseas under par. U5240-B through F also may authorize transportation of one POV to the designated POV unloading port normally serving the place to which dependents are authorized to travel. Diversion or reconsignment is permitted of a POV en route to the designated OCONUS POV unloading port serving the member's PDS on the date dependents are authorized to travel (see par. U5240-B through F).
  - 2. Dependents Don't Perform Authorized Travel to the OCONUS PDS. A member with dependents:
    - a. ordered on PCS to an OCONUS area, and
    - b. who, in anticipation of the dependents accompanying or joining, ships a POV to the OCONUS area,

may be provided advance return transportation of the POV if, for reasons beyond the member's control, the dependents don't join the member. The Secretarial Process may authorize/approve the shipment when it's determined the return shipment is in the best interest of the member/dependents and the United States (65 Comp. Gen. 520, (1986)).

- 3. <u>Dependents Currently at an Appropriate Destination Travel Orders Not Issued.</u> When dependents have traveled from the member's OCONUS PDS to an appropriate destination under circumstances which would have enabled orders to be issued authorizing their travel (see par. U5240-D), transportation of one POV from the designated POV loading port serving the OCONUS PDS may be authorized/approved if orders later are issued:
  - a. directing the travel of dependents under the conditions of par. U5240-D, and

b. providing for the transportation of a POV to the designated POV unloading port normally serving the location to which transportation of dependents would have been authorized.

Such orders are supported by a determination of the member's commanding officer (see guidance in par. U5370-D4).

- 4. <u>Transportation of Ex-Family Members Incident to Divorce or Annulment</u>. If travel of ex-family members under par. U5240-E is authorized, POV transportation also may be authorized. The POV must be turned over to a transportation officer within 1 year after the effective date of the final decree of divorce or annulment, whichever applies.
- 5. <u>Return of Dependents to OCONUS Areas Authorized</u>. Even if dependents are permitted to return to the OCONUS PDS at Government expense (see-par. U5240-B, C, or F), return shipment of a POV to the OCONUS PDS isn't authorized.
- 6. <u>Entitlement on Next PCS</u>. A member who has transported a POV under subpars. I through 4 has no further POV transportation entitlement from the last or any previous OCONUS PDS to CONUS.
- 7. <u>Disciplinary Action Taken Against Member Stationed OCONUS, or a Member Discharged Under Other than Honorable Conditions or Sentenced to Confinement with or without Discharge When No Dependent Travel Is Involved from OCONUS.</u> A member whose PDS is OCONUS, and who isn't entitled to transportation of a POV in connection with advance return of dependents because dependents aren't returned to CONUS under par. U5240-D2, item h (that is, the member has no dependents, dependents returned at personal expense without orders, dependents aren't returning to CONUS, etc.), is entitled to, and orders may be issued providing for, transportation of a POV to the designated POV unloading port serving the member's HOR or PLEAD when the conditions in par. U5240-D2, item h, apply.
- B. Member Reassigned from OCONUS PDS to Which Dependent Travel Is Authorized to an OCONUS PDS to Which Travel of Dependents Isn't Authorized Before the POV Is Transported from a CONUS Port. When a member, on PCS from a CONUS PDS to an OCONUS PDS to which transportation of a POV is authorized, has:
  - 1. delivered a POV to a designated CONUS POV loading port for transportation to the OCONUS PDS, and
  - 2. after reporting for duty at that PDS, but before the POV is shipped from CONUS, is reassigned on PCS to another OCONUS PDS to which transportation of a POV isn't authorized,

transportation is authorized to the CONUS POV unloading port normally serving the designated place in CONUS.

- C. <u>Incident to Alert Notice</u>. A member entitled to transportation of dependents under par. U5240-H is entitled to transportation of a POV under par. U5410-B.
- D. Evacuation of PDS. See pars. U6008 and U6057.
- E. Member Officially Reported as Dead, Injured, Ill, Absent for More Than 29 Days in a Missing Status, or Upon Death
  - 1. <u>General</u>. When a member on active duty is officially reported as dead, injured, ill, or absent for a period of more than 29 days in a missing status, the member's POV may be shipped at Government expense (including required overland transportation) to the member's HOR; to the residence of dependents, next of kin, or other person entitled to receive custody of personal effects; or to such other place as determined in accordance with Service regulations.
  - 2. <u>POV Transported by Other Than the Government</u>. In lieu of having the POV transported by the Government at Government expense, the member, the dependent, next of kin, any other person entitled to receive custody of the POV, or someone designated by one of these may:

- a. drive the vehicle to the authorized destination (in which case reimbursement of necessary expenses such as fuel; oil; parking fees; ferry fares; and road, bridge, and tunnel tolls is authorized); or
- b. arrange transportation of the POV and receive reimbursement.

In either case, the total reimbursement shall not exceed the cost that would have been incurred had the vehicle been transported and/or stored at Government expense. See Service claims regulations for Government liability when the vehicle is driven. If a member is reported injured or ill, the allowances provided by this subparagraph are authorized only when the anticipated period of hospitalization or treatment is expected to be of prolonged duration as shown by a statement accepted by the Service concerned as being from competent authority at the receiving hospital. Reimbursement in such cases is limited to the cost of overwater and overland transportation between the points:

- a. the vehicle was transported; or
- b. shipment at Government expense would have been authorized,

whichever is less.

#### 3. Storage

- a. Nontemporary Storage. If the person entitled to receive custody of the POV:
  - (1) isn't known;
  - (2) is subject to litigation; or
  - (3) if known hasn't yet been located and notified to take custody of the POV,

the POV may be stored at Government expense until such time as proper disposition can be made.

b. <u>Temporary Storage</u>. Temporary storage of a POV may be authorized/approved (using the provisions of par. U5375) provided the POV is turned over for shipment within the time limits in par. U5372-B3. Temporary storage in excess of 180 days in such cases is at the expense of the person for whom the shipment is being made.

# 4. Additional Moves

- a. <u>Change in Status</u>. A POV transported under subpar. I may be moved again under that subparagraph when official notice is received that the member's status has changed from one to another of those listed in subpar. 1.
- b. No Change in Status-Member Reported as Missing for More Than 1 Year. A POV transported under subpar. 1 may again be transported under subpar. 1 when the member has been officially reported as absent for a period of more than 1 year in a missing status and the Secretarial Process determines that the circumstances in the individual case justify an additional move.

# U5456 TRANSPORTATION INCIDENT TO DIVORCE

When a member has a POV shipping entitlement under PCS orders, and a POV has been legally awarded to the member's ex-spouse incident to their divorce, the member may have one final shipment of that POV to a destination in accordance with the procedures prescribed in this Part. This applies to those cases not coming under par. U5455-A, and is subject to the member's written request and agreement to pay any excess costs involved (61 Comp. Gen. 180 (1981)). Transportation under this paragraph exhausts the entitlement for transportation of a POV under the member's PCS orders.

#### U5457 TIME LIMITATION FOR TRANSPORTATION OF A POV

- A. <u>Incident To Separation from Service or Relief from Active Duty</u>. Transportation of a POV for an eligible member must be initiated within 180 days following separation from the Service or relief from active duty. Initiation of shipment means turning the POV into the designated POV loading port for shipment before the 181st day following separation from the Service or relief from active duty. This time limit may be extended by the Secretarial Process. A time extension shall be for a specific additional time period. A time extension shall, based on the facts and circumstances in the individual case, be a finding that having the POV shipped within that initial time frame would be a hardship for the member.
- B. Incident to Retirement, Placement on TDRL, Discharge with Severance or Separation Pay, Involuntary Release from Active Duty With Readjustment or Separation Pay, Involuntary Separation, or Separation Under VSI or SSB Program. Transportation of a POV for an eligible member must be initiated within 1 year following the member's termination of active service. Initiation of shipment means turning the POV into the designated POV loading port for shipment before 1 year expires following the termination of active service. This time limit may be extended by the Secretarial Process. A time extension may be authorized/approved for members undergoing hospitalization, medical treatment, education or training, or in other deserving cases (see the provisions of par. U5365-D through F).

#### U5460 CARE AND STORAGE

The Government's responsibility begins when the POV is accepted for shipment and continues until the POV is delivered to the member at the destination, or when the POV is delivered to a commercial warehouse. If the POV isn't claimed within a reasonable time after notification of arrival is given, as determined by the port commander, it may be placed in commercial storage at the member's expense.

#### \*APPENDIX B

#### MAXIMUM PER DIEM RATES OUTSIDE THE CONTINENTAL UNITED STATES

#### TRAVEL PER DIEM ALLOWANCES

A. The per diem rates listed in this appendix are for reimbursement of subsistence expenses incurred during official OCONUS travel. These rates apply unless an actual expense reimbursement (JFTR, Chapter 4, Part C or JTR, Chapter 4, Part M) has been authorized/approved or a lower per diem rate has been authorized (JFTR, par. U4135 and JTR, par. C4550-A). The amount calculated for lodging expenses plus the M&IE rate (JFTR, Chapter 4, Part B or JTR, Chapter 4, Part L) shall not exceed the maximum per diem rate. If a specific location or military installation is not listed, use the "Other" rate for the country. If the country isn't listed the "All Places Not Listed" rate should be used. Countries or islands listed include any offshore islands in the vicinity. The countries/islands won't include territories or possessions located elsewhere even though considered an integral part of the parent country or island. In these cases, no cost data for these territories and possessions were used in determining the rates. When a political subdivision smaller than a country is named, (states, provinces, departments, boroughs, cities, towns, villages, etc.) it will include the corporate limits of political subdivisions or the limits of territory within the normal boundary if it's not incorporated. Posts, camps, or stations named will include the area falling within its boundaries.

- b. If the State Department is responsible for residential security under the provisions of the Omnibus Diplomatic Security and Antiterrorism Act of 1986, it is unnecessary to use Part C of DD Form 2556. All security modifications must be coordinated and funded under the guidance of the Regional Security Officer (RSO) of the Department of State. This arrangement is documented in a memorandum of understanding covering security support between the Department of State and the Department of Defense.
- c. Resolution of security problems could range from removal of all personnel from privately leased quarters to determining that personnel in all/selected dwellings at risk and MIHA/Security expenditures shouldn't be reported/covered by Part C of DD Form 2556. If security modifications are deemed appropriate, acceptable items/expenditures must be determined an individual/office by designated by the senior officer. security expenditures incurred after secretarial authorization/approval has been granted shall qualify for reimbursement.

- d. If possible, costs for required security upgrades to a dwelling should be borne by the landlord. In turn, the housing officer or appropriate official should expect the landlord to increase the rent by an amount permitting recovery of expenses within a reasonable time period.
- e. If the senior officer in-country believes that a duty station should be included in the above list of areas, reasons should be cited in a letter or message to the address listed below. The request must be forwarded to the Department of State or the Defense Intelligence Agency for a risk assessment determination.

- c. When at least one, but not all three meals, have been purchased by the Government through some means such as a registration fee, the proportional rate should apply for that day. This doesn't apply on travel days to and from the PDS. Meals served on common carriers aren't "purchased by the Government." The traveler must indicate on the Trip Record how many meals were free or purchased by the Government and for which dates.
- 3. <u>Incidental Expenses (IE)</u>. Travelers are paid an allowance for miscellaneous expenses, such as tips and laundry, incurred while traveling. This is the IE part of the M&IE. The daily IE entitlement in CONUS is \$2.00. The OCONUS daily IE entitlement is the rate for the applicable locality per diem, or \$3.50 when the order-issuing authority determines \$3.50 to be adequate for anticipated incidental expenses.

### 4. Other Reimbursable Expenses

- a. Getting Around the TDY Location. Reimbursement is authorized for necessary travel at the TDY location. This includes travel from the transportation terminal to the lodging and back, one round trip per day from the lodging to place of duty, trips to eat, and trips between duty locations. If a rental car isn't authorized, the traveler is entitled to reimbursement for the cost of using public transportation. If private vehicle use is authorized, the entitlement for reimbursement is the standard mileage rate times the miles driven for the necessary travel around the TDY location. Travelers must note the required miles driven on the Trip Record.
- Other Expenses on the Trip. The AO authorizes reimbursement for other necessary travelrelated miscellaneous expenses necessary to the successful completion of the mission. They include, dual lodging costs, the cost of travelers' checks, ATM fees for travel advances on the Government travel card, cost of passport photos, passport and visa fees when a regular fee passport is required, official local and long distance phone calls, currency conversion fees, airport taxes, authorized excess baggage transportation costs, tips for taxis and limousines, boarding fees, conference registration fees, and similar expenses. Transportation costs to and from the transportation terminal in the area of the PDS, to include parking at the terminal, are reimbursable not to exceed the cost of taxi fare to and from the terminal. Uniformed members may be reimbursed for customary tips for handling baggage at transportation terminals. Travelers may be reimbursed for tips for

handling Government property at terminals and hotels. The AO also may authorize reimbursement for other necessary travel-related expenses when they are clearly in the Government's interest. For example, an AO may consider certain phone calls to the traveler's home or family while on the trip as official if the AO considers the calls to be in the Government's interest. If these calls are determined to be in the Government's interest, the AO should establish the reimbursement ceiling for the calls. A traveler should find out what telephone dollar limit the AO has set before leaving on a trip. Travelers must itemize these expenses on the Trip Record. Other reimbursable expenses must be clearly travel related, rather than mission related (e.g., batteries, tools, film) and not personal (e.g., child/house/pet care, gifts such as flowers for the hotel concierge, workout room/gym fees). Items included in incidental expenses (see subpar. 3 above and Appendix A, definition of per diem) such as laundry shall not be authorized as reimbursable expenses.

### B. <u>Lodging Overnight Required - Schoolhouse</u> <u>Training Standards</u>

- 1. Schoolhouse training standards are the same as for business travel, except that for training, the training location commander, not the AO, decides if use of Government quarters is directed (par. T4040-A1b) and if one of the two M&IE rates based on Government mess availability is appropriate.
- 2. In some situations, the Service Secretary may approve Essential Unit Messing (EUM) for students in particular courses when readiness requires Government mess use. When EUM applies, members get incidental expense reimbursement. Civilians get incidental expense reimbursement and reimbursement for the amount paid for food. The AO may authorize the actual amount paid up to the proportional meal rate for commercial meals the traveler is required to purchase.
- ★ 3. The Trip Record must indicate mess availability. If that information isn't available prior to the trip, the information must be provided to the traveler upon arrival at the school and the trip report changed. When actual mess availability differs from the pre-trip information, the AO may authorize on a daily basis the proportional rate (1 or 2 meals) or the locality M&IE rate (all 3 meals) depending on how many meals were available. The traveler must note on the Trip Record how many meals by date weren't available.

Appendix O JFTR/JTR

C. Lodging Overnight Required - Standards for Deployment, Group Travel and TDY Aboard Vessels. Other reimbursable expenses (par. T4040-A4) are authorized in the same manner as for business travel. The AO may authorize the proportional meal rate for meals (but no incidental expenses) and/or payment for lodging when the traveler isn't entitled to per diem but is required to purchase these items. See par. T4040-A1c if the lodging cost exceeds the published maximum rate.

- 1. Group, as opposed to individual, travel includes travel away from the PDS during which the mission requires control of the group of travelers. It only includes travel days between duty locations and doesn't involve entitlements for full days at duty locations. No per diem is payable for group travel. Most members pay the food cost without operating expense, and civilians pay the food cost and operating expense. Civilians are entitled to reimbursement of the amount paid for food. Group travel must never be used simply to save travel funds.
- 2. Training exercises, maneuvers, war games, and similar types of operations may be classified as field duty when everything ordinarily associated with per diem is furnished without charge. Per diem isn't payable during field duty. Lodging is provided and most members pay the food cost without operating expense; civilians pay the food cost and operating expense. Civilians are entitled to reimbursement of the amount paid for food. When the Secretary concerned, or CINC or JTF commander for a joint deployment, determines that Government messing is essential to accomplish training and readiness, EUM applies. The meals portion of the M&IE isn't payable. Most members pay the food cost without operating expense and civilians pay the food cost and operating expense. Civilians are entitled to reimbursement of the amount paid for food. All EUM travelers are entitled to the IE.

★ 3. Joint deployments involve the temporary assignment of members of more than one uniformed service to a provisional force formed for a specific task or operation. TDY options include regular business travel, EUM, or field duty. The CINC or JTF commander determines the appropriate option and may specify a different option for different locations. For example, field duty might be appropriate for the main body of the deployed force, but business travel might be appropriate for an interim staging base. In choosing the option to use, the CINC or JTF commander should consider, in the following priority: business travel, EUM, field duty. Under normal circumstances, the CINC should choose business travel unless operational circumstances dictate otherwise. In general, business travel is appropriate for peacekeeping, humanitarian, and relief missions. The CINC or JTF commander may approve EUM when it enhances operational readiness, the conduct of military operations, or is necessary for the conduct of training. It applies to units only, not to individual travelers. Table 1 shows the effect of each option on per diem entitlement. The CINC or JTF commander must communicate this decision on the TDY option (including the appropriate meal rate) to the appropriate Services for inclusion in the orders.

### 4. TDY Aboard Vessels

- a. No per diem is payable when TDY aboard a U.S. vessel since quarters and mess are provided. Civilians are reimbursed for the amount paid for food.
- b. The AO may authorize payment of a per diem when the traveler is TDY aboard a foreign or commercial vessel and incurs an expense for other than Government meals. The AO may establish a per diem allowance equal to the daily expenses.
